

PROPOSED LOCAL LAW 15 of 2014: A local law amending Chapter 200, Zoning of the Code of the Incorporated Village of Stewart Manor to amend Section 200-41.E. Outdoor Compressors to clarify the installation requirements.

§ 200-41. Outdoor compressors.

E. All compressors and/or generators in the side yard must meet a minimum of a three-and-a-half-foot setback from the side yard property line (the outermost edge of unit must not be closer than 3.5 feet to side yard line) and must be installed ~~no more than six inches off the side yard foundation wall.~~ according to the manufacturer and/or New York State specifications.

This local law shall take effect immediately upon filing with the New York Secretary of State
